

Таблица 2S – Средняя длительность и средние значения пропорций пауз той или иной продолжительности для каждого компонента (паузы до и после слова)

Table 2S – Mean duration of pauses for each mixture component and the mean proportion of pauses within each mixture component (pauses before and after words)

Participant ID	Before words				After words			
	Mean duration component 1, log ms	Mixing proportion 1	Mean duration, component 2, log ms	Mixing proportion 2	Mean duration component 1, log ms	Mixing proportion 1	Mean duration, component 2, log ms	Mixing proportion 2
1	4.24	0.94	6.9	0.06	4.34	0.79	6.14	0.21
